ABOUT THE NORTH AMERICA CONFERENCE ON LUNG CANCER

Founded in 1972, the International Association for the Study of Lung Cancer (IASLC) is an international organization of more than 8,000 lung cancer specialists from 100+ countries. IASLC members work towards developing and promoting the study of etiology, epidemiology, prevention, diagnosis, treatment and all other aspects of lung cancer. IASLC's mission is to enhance the understanding and education of lung cancer to scientists, members of the medical community and the public. In addition to the annual meeting, the IASLC publishes the Journal of Thoracic Oncology, a prized resource for medical specialists and scientists who focus on the detection, prevention, diagnosis and treatment of lung cancer.

The IASLC North America Conference on Lung Cancer (NACLC) is an educational and scientific event which will cover key aspects of the diagnosis and management of lung cancer and other thoracic malignancies. With a multi-disciplinary program including invited sessions, parallel oral abstracts sessions and poster presentations, participants will learn about prevention, screening and disparities in uptake of screening, surgical management, advanced radiation therapy techniques, novel therapeutics including targeted agents and immunotherapy, and the latest in diagnostics and lung cancer pathology.

THE VENUE

All Conference Sessions as well as the Exhibition will take place at Chicago Marriott Downtown Magnificent Mile. It has 70,000 square feet of meeting space, 1200 guest rooms and various on-site restaurants and bars. It is also located in the city center with easy access to shopping, dining, and entertainment.

CHICAGO HOTEL ACCOMMODATIONS

The Conference Secretariat (International Conference Services Ltd. (ICS)) is the official housing bureau for the IASLC 2022 North America Conference on Lung Cancer and will offer assistance with the coordination of housing requirements for sponsors, exhibitors and delegates. Discounted room rates as well as additional amenities have been negotiated and are only available to delegates and groups who book through the housing bureau.

Although the association and the housing bureau have done their due diligence and negotiated the lowest possible group rate, we cannot predict future specials hosted by competing hotels. However, we urge all sponsors and exhibitors to book at a NACLC contracted hotel. The success of IASLC and NACLC depends on delegates, sponsors, and exhibitors using the contracted hotels. IASLC/NACLC cannot meet contracted room obligations if registrations, sponsors and exhibitors reserve rooms outside the official conference hotels. Rooms that are not filled create an expense for the Association in the form of financial penalties (attrition fees) and place the financial success of the Conference and the Association at risk, which increases with each delegate, sponsor and exhibitor who stays outside the Conference contracted hotels.

IASLC RETAINS THE RIGHT TO APPLY A PENALTY AND DOWNGRADE LEVELS OR BENEFITS TO ANY SPONSORS AND EXHIBITORS (OR THEIR AGENTS) WHO DO NOT BOOK VIA THE OFFICIAL HOUSING BUREAU.
